

Prayer for Crookhorn

Lord, send your Holy Spirit to empower us, your Church, to rise up in Crookhorn.

Equip us Lord and give us courage and boldness that we might be people who will help bring revival to this area.

Help us to preach your Good News and bind up the broken hearted; to proclaim freedom to the captives and release people from darkness. Move us out of our comfortable building and out into our community.

Let us be a people who will rebuild this area on the foundation of love, grace, mercy and truth.

We want to see Crookhorn healed and transformed and a beacon to the borough of Havant.

May your people in the Church of the Good Shepherd come together in unity across the generations in the name of Jesus Christ. And Lord, as we come together, deal with enemy strongholds over our Church and over Crookhorn, by the power of the name of Jesus.

Lord, bless the people of Crookhorn. We cry out to you for a release of your supernatural power – for healing, for miracles and for lives transformed.

Lord use us! Amen
