

CoGS' declaration

Lord, we are empowered by your Holy Spirit to rise up in Crookhorn... If we are bold and courageous we will see You bring revival to this area. We declare that Your Good News will be preached; the broken hearted comforted; the captives freed and people in darkness brought into the light. Crookhorn is your community and we declare that it will be built on the foundation of love, grace, mercy and truth. We declare Crookhorn healed and transformed and a beacon to the Borough of Havant. We declare that our building is only a tool and our mission is to be Jesus in our community. We declare unity across the generations and across Crookhorn Lane. We decree and declare that no enemy stronghold over our lives, Your Church or Crookhorn will prosper. Faith will move mountains and do incredible things in our community because we believe Your Word. We declare we will see healing, miracles and lives transformed.

Lord we are yours. Use us. Amen
